Cycle for Autism EDMONTON

Run. Roll. Walk. Cycle.

June 7, 2020

Put your best foot or tire forward for the 11th annual Cycle for Autism Edmonton in Gold Bar Park on Sunday, June 7, 2020!

This inclusive event has something for everyone. There are two routes - designed so anyone, regardless of age, ability, mobility or wheels, can take part.

NEW this year, we are opening up a more competitive route – a 6 km leg designed for two laps for those looking for more of a "challenge". We have the usual path ready for anyone looking for fun, so whether you have a unicycle, bicycle, tricycle or a bicycle built for two, come join us for the morning.

We want your help to increase understanding and acceptance of those on the autism spectrum. Autism Edmonton does not receive any government contracts for the programs and services we provide to the over 2,800 individuals, their families and other supports each year. We offer programs targeted to those 0-18, adult supportive programs, as well as respite, Pantry Program (food bank satellite site), community building programs and resources for families who have recently received a new diagnosis.

Ways To Get Involved

We have a variety of ways in which you can get involved and show your support. Whether you have a direct connection to autism or would like to impact the lives of the over 28,000 Edmontonians diagnosed with autism, you are invited to make a difference.

Cycle for Autism is a powerful opportunity for team building and camaraderie amongst your fellow employees. With plenty of fun activities and entertainment, the event makes for a great company picnic. Join us for a light breakfast before the ride and a complimentary BBQ afterward.

Getting involved financially with the event is a great way to show your support for the local autism community. Besides the outlined packages, we are able to tailor recognition of your contribution to match your desired outcomes and social responsibility strategy.
